MARK ATTANASIO

CHAIRMAN AND PRINCIPAL OWNER

Mark Attanasio enters his 22nd season as chairman and principal owner of the Milwaukee Brewers.

Over the course of Attanasio's leadership, the Brewers have been one of the National League's most competitive teams, holding the fourth-highest winning percentage in the NL since the 2005 season (1725-1576, .523). In 2025, Milwaukee appeared in its third National League Championship Series of his tenure after posting the best record in Major League Baseball (97-65) and winning its fourth National League Central Division title in the past five years. The Brewers have the seventh-most wins in the majors since Attanasio became principal owner. Over the past nine seasons, Milwaukee has reached the postseason seven times, missing out in 2017 and 2022 by just a single game. The team holds the second-highest winning percentage in the National League since 2017 (763-594, .562), trailing only the Dodgers. The Brewers are one of only three teams to win at least 86 games in each of the past eight full seasons (not including 2020), joining the Astros and Dodgers.

For the past 22 years, Attanasio has been committed to the Brewers fan experience, and through significant investments, American Family Field has been and continues to be consistently rated as one of the best venues in all of sports. His dedication to the ballpark led to a monumental bi-partisan legislative agreement in 2023 to keep the Brewers in Milwaukee through at least 2050, which included a $150 million commitment from the organization.

Further, Attanasio has prioritized efforts to have a broad, positive impact on the Milwaukee-area community and throughout Wisconsin. Through the establishment of Brewers Community Foundation (BCF), the team's charitable arm, and through community relations efforts year-round, the Brewers are an integral part of the fabric of the community. As a result of Attanasio's steadfast dedication to invest in these efforts, BCF has generated more than $66 million over the past decade to support local non-profits in the areas of health, education, recreation and basic needs. Approximately 200 non-profit organizations receive funding annually through BCF's grant process.

Attanasio remains focused on his longstanding objective to establish the organization as a champion both on and off the field, and he continues to work diligently to uphold the four cornerstone pledges he made to the Brewers and to the community when the team was purchased in 2005:

1. FIELDING A PERENNIALLY COMPETITIVE TEAM

Attanasio works closely with Matt Arnold, Pat Murphy and the baseball operations and field staff in their efforts to build a sustainable pipeline of young talent that fans can count on for years to come, supplementing the team's veteran players to field a perennially competitive roster.

The Brewers were named Organization of the Year by *Baseball America* in 2025, recognizing their success at the Major League level as well as in scouting, coaching and player development. Milwaukee was further represented in the league's end of season awards with Arnold and Murphy repeating as MLB Executive of the Year and National League Manager of the Year.

The 2025 roster featured contributions by players drafted or signed and developed by the organization, including pitchers Brandon Woodruff, Aaron Ashby, Jacob Misiorowski and Abner Uribe, infielder Brice Turang and outfielders Sal Frelick and Jackson Chourio. Attanasio supported Arnold and the baseball operations staff by adding key trade acquisitions during the season, including pitcher Quinn Priester and first baseman Andrew Vaughn.

In December 2023, Milwaukee signed Chourio to an eight-year contract through 2031 with club options for 2032 and 2033, an industry-record commitment for a player without any Major League experience. Chourio made his Major League debut in 2024 and has since become the youngest player in Major League history (21 years, 199 days) to produce multiple seasons of at least 20 home runs and 20 stolen bases.

The Brewers have established themselves as a premier talent-development organization and enter 2026 with the top farm system in baseball according to ESPN and *The Athletic*. The system features infielders Jesús Made and Luis Peña, two of the top prospects in all of baseball. That success reflects years of strategic investment in player development.

In 2024, the team opened a new academy in the Dominican Republic, a key hub for international player development. The academy complements earlier investments such as rebuilding American Family Fields of Phoenix in 2019 as well as the acquisition of the Carolina Mudcats in 2017. That affiliate is set to move into a new state-of-the-art stadium in Wilson, NC for the 2026 season and will relaunch as the Wilson Warbirds.

2. DELIVERING THE BEST FAN EXPERIENCE POSSIBLE

Attanasio greatly values and appreciates the unwavering support of Brewers fans. Since 2007, the team has ranked in the top half of Major League Baseball in home attendance 16 times, exemplifying the power and passion of the Brewers fan base.

Attanasio's commitment to the fan experience has included funding numerous enhancements at American Family Field over the years. Most recent upgrades include new scoreboards in center field and right field, LED digital displays behind home plate and along the baselines, the 3rd Street Market Hall Annex on the right field Loge Level and The Alley, Food Truck Park on the left field Loge Level.

In an effort to further the fan experience in 2026, the Brewers are adding the UW Credit Union Plaza located just beyond the outfield, adjacent to the pedestrian bridge spanning Wisconsin Highway 175/Brewers Boulevard and connecting to the parking lots. Designed as a free, open-access space for fans, the plaza will feature a beer garden, a performance stage for live entertainment, a mini golf course and a play area for families.

3. REMAINING A LEADER IN THE COMMUNITY

Throughout Attanasio's tenure with the Brewers, he has remained personally dedicated to and involved with Brewers Community Foundation (BCF).

In 2025, BCF raised more than $5.7 million to provide grants to approximately 200 local non-profits supporting healthcare, education, recreation and basic needs and provided scholarships to 28 Wisconsin-based students. As part of Brewers Buddies Tickets, more than 85,000 tickets were donated to 300 different organizations in 2025. Last season, BCF held five Drive for Charity events with fans donating pet supplies, peanut butter, school supplies, socks, hats, mittens and scarves.

Along with broadcasters Lane Grindle and Vinny Rottino and CBS 58, BCF collected 716 turkeys, 31,000 pounds of food and more than $5,400 in cash donations for Hunger Task Force as part of the 14th annual Drive Thru Food Drive at Thanksgiving.

In addition to fan support of the Foundation, all players, their families, team executives and front office staff contributed their time and/or financial resources in 2025.

4. BEING AN ORGANIZATION WHERE PEOPLE WANT TO WORK, WHETHER ON THE FIELD OR BEHIND THE SCENES

Attanasio has continued to deliver on his commitment to ensuring the Brewers are one of the best places to work, not only in Greater Milwaukee, but in all of sports. Throughout his tenure as principal owner, the organization has grown as a desirable destination for some of Major League Baseball's top players, front office personnel and business executives.

Under Attanasio's leadership, the organization has created a culture focused on best practices and achieving excellence across all areas and departments. This includes providing all employees, including game-day staff, training and leadership development with an emphasis on embracing diversity, innovation and service to the community.

BEYOND THE BREWERS

Attanasio has been an accomplished investment management executive for more than 35 years. In addition to his role as chairman and principal owner of the Brewers, he is a managing partner of Crescent Capital Group, LP, a Los Angeles-based alternative asset management firm that he co-founded in 1991.

Attanasio holds positions on several not-for-profit boards, including the Los Angeles County Museum of Art and Harvard-Westlake School. He also has a leadership role as chairman of Major League Baseball's Investment Committee, and he serves on the Executive Council. Additionally, he is an executive committee member of LA2028, the organizing committee for the upcoming 2028 Summer Olympic Games in Los Angeles. Attanasio is the majority shareholder of Norwich City Football Club in the English Championship League and also an investor in the Milwaukee Admirals of the American Hockey League.

He is a member of the Strategic Sports Group owners, who invested in the PGA Tour, and is on the board of Rawlings Sporting Goods, an American sports equipment manufacturing company.

Attanasio received his A.B. from Brown University and his J.D. from the Columbia University School of Law. He and his wife, Debbie, have two sons, Dan and Mike, and three grandchildren.

RICK SCHLESINGER

PRESIDENT - BUSINESS OPERATIONS

Rick Schlesinger enters his 24th season with the Brewers and eighth in his current position after being promoted on January 23, 2019. He has previously held roles with the organization as executive vice president of business operations (2003-10) and chief operating officer (2011-18).

He oversees the organization's business operations, including finance, human resources, information technology, legal, sponsorships, marketing, ticketing, business analytics, broadcasting, communications, stadium operations and non-baseball special events.

Schlesinger serves on the board of directors of the Metropolitan Milwaukee Association of Commerce, the board of trustees at Barton College (NC) and on the board of visitors of the University of Wisconsin-Madison History Department. He also is a member of Major League Baseball's Youth Baseball Committee.

Schlesinger was named the 2025 Executive of the Year by the *Milwaukee Business Journal*. The Brewers organization has continued to innovate and grow under Schlesinger's guidance, delivering memorable fan experiences while strengthening partnerships across the region.

Under Schlesinger's leadership, the Brewers have established records in nearly every aspect of the business. More than 2.5 million fans have passed through the gates of American Family Field in 15 of the past 17 seasons (excluding the 2020 and 2021 restricted capacity seasons). In that time, the organization has focused on the fan experience, developed new and enhanced partnerships and completed several major development projects that benefit various stakeholders. Recent major investments in the fan experience at American Family Field include a new main scoreboard and a second digital board in right field (2024), the J. Leinenkugel's Barrel Yard (2023) and X-Golf (2022).

New projects include the UW Credit Union Plaza located just beyond the outfield, adjacent to the pedestrian bridge spanning Wisconsin Highway 175/Brewers Boulevard and connecting to the parking lots. Designed as a free, open-access space for fans, the plaza will feature a beer garden, a performance stage for live entertainment, a mini golf course and a play area for families. Additionally, a premium club will be added outside the main ballpark entrance.

In 2023, Schlesinger joined elected officials in leading a successful effort to secure a generational lease extension for the Brewers at American Family Field. The new lease and associated funding to maintain and improve the ballpark ensures that American Family Field will be home to the Brewers through at least 2050.

Prior to joining the organization, Schlesinger spent five seasons (1998-2002) as vice president of business and legal affairs/assistant general manager for the Anaheim Angels. He previously worked for Walt Disney Pictures and Television in motion picture development and production (1993-1998) and at the Los Angeles law firm of Latham and Watkins (1986-1993).

BREWERS IN THE COMMUNITY

BREWERS COMMUNITY FOUNDATION, INC.

Brewers Community Foundation, Inc. is the official charitable arm of the Milwaukee Brewers Baseball Club. We are proud to give back to our community in many ways. Brewers Community Foundation harnesses the pride, passion and commitment of Brewers fans, players and other supporters to positively impact the lives of children and families in Greater Milwaukee and Wisconsin. The Foundation seeks to be thoughtful and dependable philanthropic leaders actively engaged in providing needed financial support consistent with our mission.

BREWERS COMMUNITY FOUNDATION 50/50 RAFFLE PRESENTED BY ASSOCIATED BANK

Tickets for the 50/50 Raffle are sold throughout American Family Field from the time parking lots open through the end of the fourth inning of every home game. One lucky fan will take home half of the net proceeds from the game's raffle ticket sales with the other half benefiting Brewers Community Foundation. The winning ticket will be announced in the middle of the sixth inning before the Johnsonville® Famous Sausage Race. The winner can claim the winning ticket at the 50/50 information table or will have up to 30 days to claim his or her prize. Last year, the Foundation helped more than 200 local nonprofit organizations provide quality programming in the areas of health, education, recreation and basic needs. For the winning raffle number and amount, call the 50/50 Raffle hotline at (414) 902-4334.

BREWERS COMMUNITY FOUNDATION DRIVE FOR CHARITY

During select homestands throughout the season, Brewers Community Foundation invites fans to drop off items or donate $10 to help those in need. As a thank you for contributing, fans receive a collectible Brewers pin. The donated items are distributed to nonprofit organizations in Greater Milwaukee. This year, the dates include:

- April 9-12: pet supplies
- May 22-24: new socks
- June 12-14: peanut butter
- August 7-9: school supplies
- September 25-27: new winter hats, mittens and scarves

The presenting sponsors of the Drive for Charity events are the Brewers Community Foundation Leadership Council. To learn more, visit brewers.com/BCF.

BREWERS COMMUNITY FOUNDATION WEEKENDS

BCF Weekends will be held during home games scheduled for May 8-10 and September 11-13 in the right-field corner on the Field Level concourse. Each day will feature sales and/or activities that give fans the opportunity to financially support BCF and its mission to positively impact the lives of children and their families in Greater Milwaukee and Wisconsin.

The presenting sponsors of BCF Weekends are the Brewers Community Foundation Leadership Council. To learn more, visit brewers.com/BCFweekend.

ULTIMATE AUCTION

Fans can get involved and support BCF by bidding on unique experiences in the annual online Ultimate Auction from August 18-28. The presenting sponsors of the Ultimate Auction are the Brewers Community Foundation Leadership Council. To learn more, visit brewers.com/BCF.

SCOREBOARD RECOGNITION PROGRAM

Fans can purchase either a full scoreboard message or single-line shared message during a game at American Family Field through Brewers Community Foundation's Scoreboard Recognition program. To reserve a message, visit brewers.com/Scoreboard.

CHAMPIONS FOR CHANGE SCOREBOARD MESSAGES

Before select 2026 Brewers home games, messages detailing the work of organizations Brewers Community Foundation supports will be featured on the American Family Field scoreboard. Accordingly, fans will learn about the fantastic work being done by hundreds of nonprofits in our community, aided by the funds raised by BCF.

GRANT REQUESTS

Brewers Community Foundation provides a significant number of grants each year to nonprofit organizations. Our funding efforts strategically extend financial support to nonprofits that provide quality programming in the areas of health, education, recreation and basic needs with a particular focus on low-income and disadvantaged youth and their families. Grants are generally limited up to $10,000 for Wisconsin-based organizations. All grant applications are to be submitted online. For further information and the online application, please go to brewers.com/BCF.

BREWERS BUDDIES TICKET PROGRAM

In 2025, more than 85,000 complimentary game tickets were distributed to youth groups and community organizations through the Brewers Buddies ticket program. The program is made possible through the generosity of season seat holders, ownership, players, sponsors and Commissioner Emeritus Bud Selig, who provide game tickets to Brewers Community Foundation for distribution to community groups. For information about participation in this program, call (414) 902-4625.

5K/10K FAMOUS RACING SAUSAGES™ RUN/WALK

On July 11, Brewers Community Foundation will be hosting the 28th annual 5K/10K Famous Racing Sausages™ Run/Walk. Held rain or shine, this event is a summer tradition for thousands of Brewers fans of all ages. The run/walk features unique opportunities to compete against the Famous Racing Sausages™ and follow the route onto the American Family Field warning track before enjoying a tailgate party with complimentary food and beverage. Each participant receives a commemorative t-shirt, Famous Racing Sausages™ bobblehead, a ticket voucher for a future game and more. Proceeds benefit Brewers Community Foundation.

The presenting sponsors of the 5K/10K Famous Racing Sausages™ Run/Walk are the Brewers Community Foundation Leadership Council members. To learn more, visit brewers.com/5k.

SCHOLARSHIP PROGRAMS

Brewers Community Foundation is proud to offer two scholarship programs to Wisconsin students. Applications may be submitted online from March 16-May 29, 2026. For more information and the online application, visit brewers.com/BCF. In 2025, 28 Wisconsin students received scholarships toward their college education through Brewers Community Foundation.

The Allan H. Selig Scholarship Program was created in the name of former Brewers President and Commissioner of Baseball Allan H. (Bud) Selig. Funding for the scholarships is the result of proceeds donated by Major League Baseball from the All-Star Workout Day, part of the 2002 All-Star festivities held at then-Miller Park. Selected candidates will receive $2,500 annually, renewable each year for a total of $10,000 over four years.

The James Beckum Player/Coach Scholarship Program is made possible thanks to Milwaukee Brewers players' and coaches' commitment to educational opportunities for youth. The program was named after James Beckum, who played for two years on the St. Louis Giants, a Negro Leagues team, and co-founded the Beckum-Stapleton Little League, one of the first organized sports leagues in the city of Milwaukee.

This scholarship is a one-year award that varies in amount from season to season for students who plan to attend or are currently attending a college or university in Wisconsin. Generally, the scholarship awards are between $1,000 and $2,500.

SUPPORT BREWERS COMMUNITY FOUNDATION

COMMUNITY RELATIONS

The Community Relations Department of the Milwaukee Brewers Baseball Club is dedicated to making a meaningful impact across Wisconsin by supporting a wide range of worthy events and initiatives. Through partnerships with charities, educational programs, youth organizations and nonprofits, we raise hundreds of thousands of dollars annually with the support of players, coaches and staff. By championing these causes, we reaffirm our commitment to being an active and engaged member of our community, striving to enhance the lives and well-being of individuals in Greater Milwaukee and Wisconsin.

AUTOGRAPH SUNDAYS PRESENTED BY efrutti

Every Sunday home game from April through August, kids ages 14 and under are invited to the seats by the warning track to receive an autograph from a Brewers player, alumni and/or other Brewers personalities from 11:50 a.m. to 12:15 p.m. Locations of the autograph signings and the list of players signing will be posted on the scoreboard at the time the gates open. The lineup of players and signing times are subject to change. Autographs are limited to one per child and full-size bats are not allowed. Children needing assistance in accessing the autograph signings should visit the Guest Relations kiosk on the Field Level near Section 116 with their parent/guardian. A guest relations staff member will assist children in accessing the field.

BEYOND THE DIAMOND

Beyond the Diamond is a series of community outreach events that take place throughout the season. The program is built around a partnership among Brewers players, coaches, alumni, Brewers Families and front office staff working hands-on in the community.

BREWERS FAMILIES

Brewers Families play an important role in our community outreach efforts with their commitment to several important causes. Each summer, the Brewers Families team up with Brewers Community Foundation to raise funds through a couple of fundraisers with proceeds earmarked for various organizations in Greater Milwaukee.

BREWERS ALUMNI ASSOCIATION

The Brewers Alumni Association consists of over 1,000 players who were members of the Milwaukee Brewers or the Club's forefathers, the Seattle Pilots, during their Major League career. The Association aims to provide an opportunity for the Club's alumni to maintain relationships with former teammates, the organization and Brewers fans.

DONATION REQUESTS

The Brewers Community Relations Department supports thousands of worthwhile events and activities each year through in-kind and memorabilia donations. All donation requests must be submitted online. Visit brewers.com/Donations to find the donation guidelines and to submit a request using the online submission form.

SPEAKERS BUREAU REQUESTS

Brewers players, coaches, alumni and front office staff visit local schools, community-based organizations and youth groups throughout the year. Visit brewers.com/Community to print out the request form. Submit the completed form to the Brewers Community Relations Department at least 60 days prior to the event.

BREWERS SHOWCASE

Celebrating students' creative entries that honor the legacy and global impact of leaders and sports figures. To learn more, visit brewers.com/Community.

GRAND SLAM TEACHER OF THE MONTH PRESENTED BY WINDOW NATION

HOMETOWN CHAMPIONS AWARD PRESENTED BY VORTEX®

The Brewers Hometown Champions Award is designed to honor the courage, commitment and sacrifice of the men and women in fire service, law enforcement, emergency medical services and first responder roles across Wisconsin who risk their lives and selflessly protect and serve their communities. This program allows us to thank our Hometown Champions for their service and show our appreciation for the sacrifices they make in keeping communities safe. During the season, a monthly winner will be recognized before the start of the game. For more information, or to nominate someone for the award, visit brewers.com/Hometown.

JR. SUPERFAN SPOTLIGHT

The Jr. Superfan Spotlight is a recognition program designed to honor and celebrate young fans who are dedicated and passionate supporters of the Milwaukee Brewers. This monthly accolade is a testament to the exceptional enthusiasm and unwavering loyalty exhibited by one outstanding youth who goes above and beyond to demonstrate their love for the team. To show thanks and gratitude to these dedicated young fans, each month during the season a youth fan will be chosen for the Jr. Superfan Spotlight. For more information, or to nominate someone, visit brewers.com/Superfan.

JACKIE ROBINSON DAY

In partnership with Major League Baseball, the Milwaukee Brewers will celebrate Jackie Robinson Day on April 15. The day commemorates Robinson's historic and imperative impact on the game of baseball and society.

PLAY BALL

The PLAY BALL initiative is baseball's collective effort to encourage young people and communities to engage in baseball-or-softball-related activities, including formal leagues, special events and casual forms of play. PLAY BALL events have become MLB's signature youth engagement activity during the professional and amateur baseball and softball calendar, especially on key dates throughout MLB's championship season and through the postseason and World Series. PLAY BALL events demonstrate the positive way the game can serve as an outlet for physical activity, fun with friends and learning how to play the sport at its most basic levels. To learn more about the PLAY BALL program, please visit playball.org.

LOU GEHRIG DAY

On June 6, Major League Baseball and all teams will celebrate Lou Gehrig Day by raising awareness and research funds for ALS (Amyotrophic Lateral Sclerosis), otherwise known as Lou Gehrig's Disease.

ROBERTO CLEMENTE DAY

On September 15, Major League Baseball will celebrate Roberto Clemente Day. All MLB teams pay tribute to him by wearing No. 21 and presenting the Roberto Clemente Award to a player who best represents the values of baseball for his character, community involvement, philanthropy and positive contributions both on and off the field.

LOGO HISTORY

PRIMARY LOGO

1969

The Seattle Pilots used this logo for one season before moving to Milwaukee and becoming the Brewers.

1970-1977

The Barrelman logo was the first identity used by the Brewers. It was first used by the original American Association Brewers in the 1940s.

1978-1993

The ball-in-glove logo was introduced in 1978 after a contest open to the public drew more than 2,000 entries. An art history student at UW-Eau Claire, Tom Meindel, designed the logo that went on to be the winner. The design of the logo was meant to be recognizable on items as small as a button and as large as a billboard.

1994-1999

As the Brewers celebrated their 25th anniversary in Milwaukee, they introduced a new look. Green was incorporated as a color for the first time in franchise history. The logo resembled an industrial stamp, paying homage to Milwaukee's industrial history, and gave the team a modern yet old-fashioned look.

2000-2017

This logo was introduced during the final season at County Stadium, giving the team a fresh look heading into Miller Park. The classic yet contemporary look was created by McDill Design of Milwaukee along with Major League Baseball Creative Services. The barley in the logo speaks to the heritage of the "Brewers" name that has been in Milwaukee baseball since 1901.

2018-2019

In 2018, the team officially began using the "M" logo as its primary mark. The logo was first introduced in 2000 as part of the complete redesign of the team's artwork. Like the team's previous primary logo, the barley in the logo speaks to the heritage of the "Brewers" name that has been in Milwaukee baseball since 1901.

2020-PRESENT

At the onset of the Brewers' 50th anniversary, the team introduced new uniforms and a contemporary take on the ball-in-glove icon. The new logo connects the past with the present; it includes elements of historical marks - a yellow border and circular text from the original Barrelman logo - with the modernized ball-in-glove logo and Brewers Industrial typeface.

BOB UECKER BROADCAST CENTER

On August 24, 2025, the Brewers honored the life and legacy of longtime radio voice and national baseball and entertainment icon Bob Uecker with a celebration of life at American Family Field. The event was hosted by Bob Costas and accompanied by a stage presentation by Brian Anderson, Mark Attanasio, George Brett, Bud Selig, Ted Simmons, Christian Yelich and Robin Yount.

To further honor "Mr. Baseball" and his impact on the organization, the Brewers renamed the broadcast wing of the press box the "Bob Uecker Broadcast Center," serving as a lasting tribute to the dedication, passion and humor Uecker brought to the team and its fans for more than five decades.

Located above the press box on the Loge Level, an illuminated sign bearing Bob's signature warmly welcomes media members and broadcasters to what was Uecker's home away from home as the longtime Voice of the Brewers. The entire broadcast wing is named in his honor with additional tributes throughout the space celebrating his extraordinary career and enduring presence.

AMERICAN FAMILY FIELD INFORMATION

The Milwaukee Brewers take pride in providing an exceptional experience for every fan who attends a game. Central to that experience is the team's crown jewel, American Family Field. The ballpark's brick facade and structural elegance is a reincarnation of baseball's past, while its intimate proximity to the players, natural grass and unique configuration sets it apart from other venues.

More than 2.5 million fans have attended games at American Family Field in 15 of the past 17 seasons in which full capacity was permitted. Since 2007, the Brewers have ranked in the top half of Major League Baseball in attendance 16 times. Over 24 seasons in which fans have been allowed through the gates, the ballpark has welcomed more than 61 million visitors, highlighted by drawing 3,071,373 fans in 2011, which established an all-time Milwaukee baseball attendance record.

One of the keys to American Family Field's enduring appeal is the facility's ability to evolve with changing fan preferences. In 2024, the Brewers unveiled new scoreboards in center field and right field and installed LED digital displays behind home plate and along both baselines. The centerpiece of the installation is an 8-millimeter LED digital display overlooking center field that spans 12,077 square feet. Among the largest scoreboards in Major League Baseball, the display features edge-to-edge full screen coverage and is more than twice the size of the previous board which measured at 5,940 square feet.

American Family Field and the Brewers have continued to enhance the fan experience through a number of permanent amenities, including the 3rd Street Market Hall Annex on the right-field Loge Level and The Alley Food Truck Park on the left-field Loge Level.

New enhancements planned for 2026 include the UW Credit Union Plaza located outside the ballpark adjacent to the pedestrian bridge spanning Wisconsin Highway 175/Brewers Boulevard. Designed as a free, open-access space for fans, the plaza will feature a beer garden, a performance stage for live entertainment, a mini golf course and a play area for families. The right-field playground will be renovated and relaunched as The Glove Playground, presented by Aurora Health Care®, featuring refreshed classic games, improved accessibility and new seating near kid-friendly concession stands.

The Brewers held an alumni home run derby at American Family Field on July 25, 2025, won by Keon Broxton. The event also included Ryan Braun, Prince Fielder, Yovani Gallardo, Carlos Gómez, Bill Hall, Corey Hart, Casey McGehee, Nyjer Morgan and Eric Thames.

HELFAER FIELD

The Milwaukee Brewers joined the Wisconsin Professional Baseball Park District Board and the Evan and Marion Helfaer Foundation to build Helfaer Field, Wisconsin's finest youth baseball facility. Designed by Eppstein-Uhen Architects of Milwaukee, the facility was built on the site of County Stadium by Hunzinger Construction, the company that built the original County Stadium and part of the team that built American Family Field. The foul poles of County Stadium have been used at Helfaer Field, and the area where home plate existed in the old ballpark has been memorialized on the third-base concourse.

The $3.1-million facility was built with the help of a $2 million charitable grant from the Helfaer Foundation as well as $1.1 million from the American Family Field infrastructure budget. Featuring 502 bleacher seats and additional concourse seating of 220, this is the premier location for youth baseball and softball leagues to host their games and tournaments, and is perfect for kickball, employee outings, corporate events, birthday parties and much more.

For more information about the facility or to reserve your event today, please visit brewers.com or call (414) 902-4332.

AMERICAN FAMILY FIELD STATUES

There are five statues located on the plaza outside of American Family Field, one of former Brewers owner and Commissioner Emeritus Allan H. (Bud) Selig, radio broadcaster Bob Uecker and Hall of Famers Hank Aaron and Robin Yount. The last features three ironworkers in honor of the three individuals who died when a crane collapsed during the construction of the ballpark on July 14, 1999. In addition, there is a statue of Uecker inside American Family Field located behind section 422 on the Terrace Level.

THE SELIG EXPERIENCE

Updated in 2022, The Selig Experience arrived at American Family Field in 2015 as a state-of-the-art attraction honoring former Brewers owner and Commissioner Emeritus Allan H. "Bud" Selig, who was inducted into the National Baseball Hall of Fame in 2017.

American Family Field is already known as a premier destination for baseball fans, and The Selig Experience takes that to the next level. The exhibition space totals approximately 1,400 square feet and includes authentic artifacts from Selig's tenure as Brewers owner. It celebrates the fans' love of the game as told through the story of the team's founder.

The exhibit is located in the left-field corner on American Family Field's Loge Level. The attraction is highlighted by a multimedia presentation that tells the story of Selig's role in bringing Major League Baseball back to Milwaukee and his tireless efforts to promote and grow the game in his hometown. The show builds to a surprising three-dimensional encounter with the Commissioner himself, using technology found in only a handful of exhibits around the world, inside an authentic reproduction of his County Stadium office. After the show, fans are able to take a sneak peek into Selig's office.

The design and production of The Selig Experience was led by BRC Imagination Arts, an experience design firm that turns brands into destinations. For more than three decades, its masterful storytellers have been chosen by iconic brands and cultural attractions all over the world to inspire and engage their audiences. Uihlein-Wilson Architects contributed to the initial design of the space for The Selig Experience.

WALK OF FAME

The Walk of Fame commemorates some of the greatest names in Milwaukee baseball history. It is located on the plaza area outside American Family Field. Each Walk of Fame inductee is honored with a granite-shaped home plate set in the ground.

Started in American Family Field's inaugural season of 2001, the Walk of Fame has welcomed 23 inductees. The first class in 2001 included Hank Aaron, Rollie Fingers, Paul Molitor and Robin Yount. In 2007, former Milwaukee Braves players were added to the ballot in an effort to honor the strong baseball tradition of the city.

MILWAUKEE BREWERS WALL OF HONOR

The Brewers Wall of Honor commemorates Milwaukee Brewers players, coaches and executives who meet a set criteria based on service to the organization and/or career accomplishments. The Wall of Honor is a permanent exhibit on an exterior American Family Field wall adjacent to the Hot Corner entrance in left field. Honorees are recognized with a bronze plaque affixed to the wall along with their image and a brief synopsis of their Brewers career etched onto the marker. The plaques are created by Matthews International, designers of the plaques for the National Baseball Hall of Fame in Cooperstown.

The inaugural Wall of Honor class of 58 inductees was recognized during a ceremony at Miller Park on June 13, 2014. Honorees and their guests (as well as representatives of those who were deceased) were invited to attend the unveiling ceremonies and be recognized during a program on the field prior to the game.

Beginning in 2015, a player who appeared in at least one game with the Brewers and served as a primary broadcaster for 20 or more seasons with the team was eligible for induction. Added to the criteria in 2018, a Brewers executive who spent at least 10 seasons as general manager with a postseason appearance was eligible for induction. Additionally, any inductee into the National Baseball Hall of Fame who played for or managed the Brewers is eligible.

In 2026, CC Sabathia and Dave Parker will become the 73rd and 74th inductees on the Wall of Honor.

BERNIE BREWER™

𝕏 @Bernie_Brewer

Perhaps as much a part of Milwaukee's baseball history as the players, Bernie Brewer, the official team mascot, has become a symbol of what is special about being a fan of the Brewers. The concept of a team mascot first emerged back in 1970, when the expansion team needed to draw more fans to the ballpark. That year, the original "Bernie Brewer," 69-year-old Milt Mason, camped out in a trailer atop the scoreboard in late June, vowing not to come down until a crowd of at least 40,000 attended a game. A bat-day crowd of 44,387 showed up to bring their adopted hero down from his perch on August 16.

The demand for Bernie Brewer grew, and by 1973, he emerged as a character who cheered on the team from a beer-barreled chalet, sliding down into a beer stein following each Brewers home run and victory. Bernie Brewer became a fixture at home games, especially for teams known as "Bambi's Bombers" and "Harvey's Wallbangers," when homers came with regularity.

In 1984, the Brewers rebuilt the bleachers, replacing Bernie's Chalet with a sound tower, sending the mascot into temporary retirement. But, by popular demand in 1993, Bernie returned and has been a fixture at every home game since. In 2021, thanks to American Family Insurance, Bernie received a brand-new chalet with a vintage look similar to his original chalet at County Stadium.

FAMOUS RACING SAUSAGES

Legend has it that the Famous Racing Sausages started to take shape in the early 1990s. In their formative years, they were little more than a cartoon running a virtual race every home game on the giant scoreboard in center field at County Stadium. As the movement began to take shape and a buzz developed about the characters, eventually the Bratwurst (#1), Polish (#2) and Italian (#3) made their debuts out of the left-field corner of County Stadium on select Sundays throughout the season. What started as a fun way to entertain many of the children attending afternoon games became an instant hit. The three sausages added a fourth when Hot Dog (#4) came on board in the middle of the 1990s.

The race grew in popularity among young and old alike. During the 2000 season — the final year of County Stadium — the virtual race was thrown out and mascots began to race every game. Running with the Sausages took on a life of its own as having an 'in' with the team might mean the chance to dive into the costume and scurry along the warning track prior to the seventh inning. Hideo Nomo, Pat Meares and Geoff Jenkins are just three of the lucky players to boast "Racing Sausage" among their personal accolades. In 2007, Chorizo (#5) permanently joined the team after a one-game debut in 2006.

HANK "THE BALLPARK PUP"

The morning of February 17, 2014, dawned sunny and warm in Phoenix, not unlike most days that the Milwaukee Brewers see at their Phoenix Spring Training headquarters. But what first seemed like an ordinary day soon became much more, all because of a visit from a four-legged friend.

Many major metro areas are overwhelmed with a problem of stray animals, and Phoenix is no different. Small dogs are occasionally seen wandering the outskirts of the Brewers' training fields, but they are typically too scared to interact with anyone on site. That day, though, a scruffy, dirty, and slightly injured little dog wandered up to staff at Spring Training camp and made himself at home. This pup was fearless, and he knew a good thing when he saw it. Not long after, the little guy was named Hank (after the great Hank Aaron), and his story was just starting.

Hank was cared for by staff on site, and soon Brewers coach Ed Sedar became his unofficial guardian. Sedar would feed Hank from the clubhouse buffet each day, and he quickly became friendly with various players and staff. It was clear, though, that the priority was to find Hank's home, and the Brewers set out to do just that.

By using social and traditional media channels, the Brewers posted regular updates on Hank's exploits. Every day, Hank would interact with players and coaches in the team's clubhouse, go from station to station as players participated in drills, ran occasionally with the Famous Racing Sausages and hosted meet-and-greets with visiting players, celebrities and fans. Outfitted in a Brewers jersey, updates of Hank's activities were posted every day by the Brewers, and it wasn't long before national media picked up on the story.

Locally, nationally and internationally, Hank's story appeared everywhere — *ABC World News Tonight*, *The Today Show*, *People Magazine*, *The Tonight Show* and countless others all featured Hank's heart-warming tale, and the Milwaukee Journal Sentinel ran photos and stories about Hank virtually every day for over a month. What didn't happen, though, was just as surprising. Despite the team's best efforts, nobody came forward to claim Hank as their lost pet. Working with the Wisconsin Humane Society, the Brewers arranged to have Hank adopted by a team executive, and Hank's forever home shifted north.

Hank's popularity in Milwaukee preceded his arrival to the city, and the Brewers rolled out a line of merchandise to celebrate this popularity. In addition, the team partnered with the Wisconsin Humane Society to donate 20 percent of the retail sales from all Hank items to the "Hank Fund." By September, the fund had reached a level of $150,000 through this contribution.

Hank's story included an Opening Day introduction on the field, a sold-out bobblehead night, meet-and-greets with fans at games and a Hank House (dog house) built for Hank's visits. After his newly-found fame became too much for one dog to handle, the Hank mascot was introduced on Wisconsin Humane Society Day at then-Miller Park on September 13, 2014.

In January 2015, Hank was named "Dog of the Year" at the *CW Network's* World Dog Awards in Los Angeles, an award which was presented to the canine who made the biggest impact on pop culture in 2014. What makes Hank unique is how he came to be a part of the organization. The Brewers didn't find Hank; Hank found the Brewers.

In 2024, Hank the Dog passed away peacefully in his home with the Wronski family and is remembered for his time with the Milwaukee Brewers and bringing joy to the fans of Milwaukee.

BARRELMAN

The Barrelman mascot was originally used by the American Association Brewers in the 1940s prior to serving as the Brewers primary logo from 1970-77. Barrelman was reintroduced in 2015 and has been entertaining fans at American Family Field ever since. You can find Barrelman causing mischief around the ballpark and dancing on the dugout during "Roll Out the Barrel" in the middle of the 7th inning.

The Brewers will play their 29th season of Spring Training baseball in Phoenix in 2026. Following the 2018 regular season, the team's Spring Training complex underwent a complete transformation that turned the grounds into a state-of-the-art facility. On November 25, 2017, the Phoenix City Council voted in favor of a renovation of the site. Construction began March 20, 2018, and Maryvale Baseball Park soon became American Family Fields of Phoenix.

American Family Fields of Phoenix officially opened February 12, 2019, featuring a 106,000-square foot clubhouse and office building that houses locker rooms, training spaces and support functions for both Major League and Minor League players as well as the Brewers Team Store and the team's primary ticket office. The investment included updated facilities for sports science and psychological services, an eight-lane batting tunnel, an agility field, new pitching and catching mounds, a practice field matching American Family Field's dimensions and improvements to each of the seven playing fields. Renovations also featured a new entry plaza, scoreboard, concession stands and restrooms on a widened first-base concourse. Additionally, the Brewers partnered with Grand Canyon University to create an on-site "Learning Lounge" through which local students are able to access free tutoring. The project was named *Ballpark Digest*'s Renovation of the Year and Best Spring Training Experience by the *Phoenix New Times*, while the "Learning Lounge" earned a Governor's Tourism Award.

John F. Long, a longtime Valley developer, donated 56 acres of land to make the Brewers' Spring Training complex a reality in 1998. The team oversees operations of the facility, which was designed by HKS Design and built by Mortenson Construction.
